

ORBITUARY 讣告

We are sadly announcing the passing of our beloved father, Professor Zhaorong Liu. Professor Zhaorong Liu enjoyed 75 years of loving family life and extraordinary achievement in science and engineering. He is the most proud of the success of his students all over the world.

In keeping the wishes of our parents, we would not be organizing any funeral service. We urge you to remember Professor Zhaorong Liu in your prayers, and to celebrate his legacy by advancing the numerous intellectual quests he had invested his lifetime in.

Thank you,

Professor Chun Liu

我们亲爱的父亲柳兆荣教授于二零一二年十二月七日凌晨七时三十分安详地离开了我们。

父亲毕生致力于科学研究和教育事业，硕果累累，桃李遍天下。他和十三年前去世的母亲李惜惜教授一起努力，在生物力学领域作出了举世瞩目的贡献。他们共同培养了一大批优秀的学生，在各行各业已经取得了骄人的成就。

我们有着一个温馨的家庭，父母的勤奋和正直是我们做人的榜样。他们的爱给了我们面对困难的勇气和不断前进的动力。

遵从父亲生前的遗愿，我们决定不举行遗体告别仪式。我们由衷地感激各位对我们的慰问和关心。

父母的精神会永远陪伴着我们大家。我们相信，父母会为我们人生中的成长和进步而感到欣慰。
